The CleanStream Dispenser with Vortex Technology Ensures Clean Vacuum Lines Throughout The Office

Clean and protect dental office plumbing lines and suction tubing

- Don't get caught off guard with an unexpected shutdown due to clogged evacuation lines in your facility. Keep them clean with a state of the art system utilizing CleanStream Dispenser with Vortex Technology.

Control aerosols to enhance safety for your patients and your team

- Controlling aerosols is paramount for a safe dental visit. Keeping your evacuation lines clean and free of debris promotes the flow you need to mitigate aerosols with your HVE.
- Don't leave your safety to chance. Clean your evacuation lines daily with Vortex action ensuring optimal aerosol mitigation during procedures.

Extend the life of your equipment by using the Dispenser with Vortex Technology

- All equipment needs maintenance. Once daily clean your evacuation lines to extend the life of your vacuum.
