CREATING FOR YOU

Brand and Logo Introduction:
The name of "Green Apple" was an inspiration from two honored American dentists David Ting and Yogi Chen
Since the brand was created, it has connected closely to its users. It has perfectly preformed the concept of "Green Apple"--serving
dentists heart and soul.
The Green Apple within the logo stands for health and nature.
Healthy and natural teeth are the goals for both dentists and patients.
With advanced technologies, Appledental strives to develop and manufacture the most precise dental instruments to make dental procedures easier.
