Scaling tip CE 0197

1. Please only use T series tips for Baolai's C,B and P series scalers. Using tips of other brands may cause damage or unstable working to handpieces,which will not be within the warranty scope.
2. Please use Baolai's torque wrench to assemble or disassemble the tip to avoid improper working or damage of tip.
3. The tip is consumable accessory. Pay attention when the tip is worn by 1mm and near the yellow line. Please replace the tip when it is worn by 2mm and near the red line.
