FUSION^5 Curing Light

The Most Powerful and Dependable Curing Light Platform!

3 seconds cure and much more ...

- 3-second cure with focused beam
- Flexible platform for oral exams

FUSION Curing Light is a 21st century light that is versatile, cost-effective, and valuable in everyday practice. Adding to the value is the ability to conduct oral cancer examination.

Dr. Howard Glazer

The Fusion Light is one GREAT all around light for the dental office. You get the benefits of three lights in one! Curing, Transillumination and Oral Cancer Screening. The Curing power is remarkable.
