05 SMART HYGIENE AND SAFETY

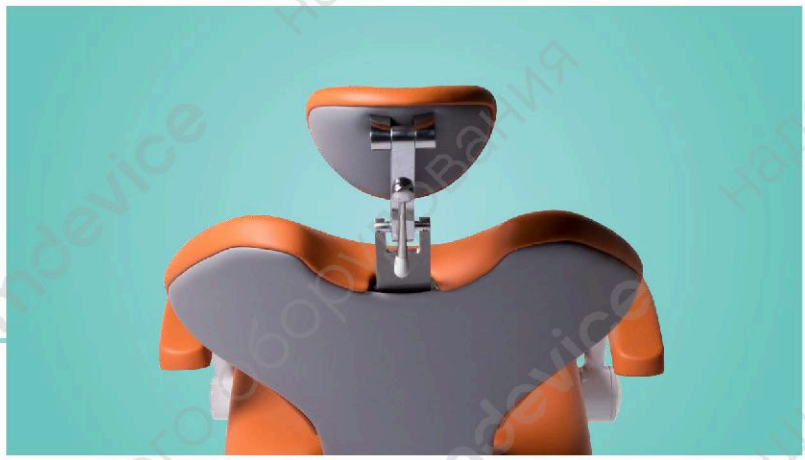

https://stomdevice.ru - стоматологическое и зуботехническое оборудование с доставкой по России и СНГ

Campeon offers a choice of disinfection systems and a rounded design to avoid cross-contamination. Multiple safety switches ensure protection for you and your patient during treatment.

There are three different disinfection systems to choose from. Semi-automatic or automatic for water lines and automatic for suction lines.

To ensure your safety there are anti-collision switches located on the backrest, assitant element and base of the chair.
