CATIONS

A COMPLETE SET OF ACCESSORIES

Simpler includes a complete set of accessories to get the most out of your laser: handpiece for surgery, biostimulation and whitening.

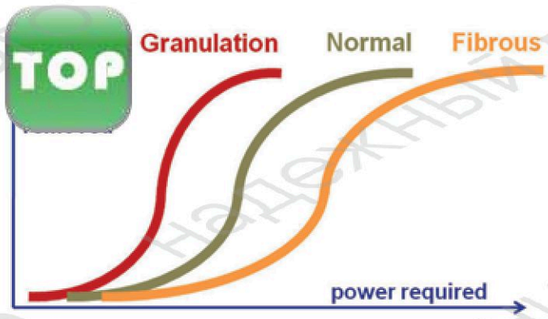

ACCESSORIES

simpler

SIMPLER is a diode laser for dentistry essential for treatments in endodontics, periodontics, soft tissue surgery, therapy, biostimulation and whitening. The **TOP Tissue Optimized Pulse** mode is a biotype specific configuration that modulates laser emission for perfect bloodless cutting on every soft tissue type, with a laser power that can reach **up to 12W**. SIMPLER is the affordable and indispensable instrument for every modern dental practice!

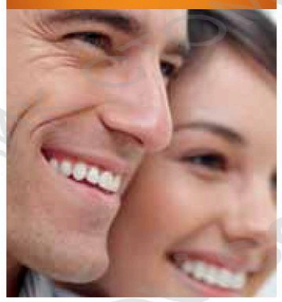

Tissue Biotype *vs* Cutting Power

- bloodless surgery
- less anaesthetics
- faster treatment
- faster healing
- less pain
