Welcome to the Mindray™ North America Parts and Accessories Catalog

This catalog will provide you with the parts and accessories that connect to your Mindray Anesthesia Delivery System, Bedside Monitors or Central Station. Each Mindray product is the product of a special brand of patient-focused, clinician-friendly design. For this reason, you can expect the same service, focus and quality with our parts and accessories.

Exceptional service and support

Mindray is a global medical device business with three established segments: Patient Monitoring and Life Support Products, *In-Vitro* Diagnostic Products and Medical Imaging Systems. With more than 6,000 employees and with R&D centers on three continents, Mindray offers the medical community a range of innovative solutions designed to contain costs while ensuring the highest quality of patient care.

Mindray's clinical education specialists provide your staff with comprehensive, on-site training and in-service on demand 24-hours a day, 7-days a week.

Our dedicated field service and in-house technical support organization are one of the largest direct service teams in the industry. Individually and collectively they are committed to enhancing patient care while protecting your investment.

Learn how we can help you maximize your resources with some of the most advanced and affordable devices in the industry. For more information about Mindray products and services, visit www.na.mindray.com.

Finding the Right Part

This catalog has been designed to make finding the right part easy. Chapters are organized by specific product categories. Simply locate the type of part you are looking for under the appropriate category. Not sure which part works with what monitor? No problem. Each accessory is clearly marked for its corresponding medical device.

How to Order

We have made placing orders for parts and accessories easy. You can shop online or contact our customer service department. To shop online 24 hours a day, 7 days a week, log on to: http://store.na.mindray.com
Our online store is available only to US customers.

You can also call our customer service department at 1-800-288-2121 (Press 3) Monday – Friday, 8:30am-6:00pm EST.

Buy your accessories from a company you can trust, who offers service you can depend on and the support you expect.

NOTE: This catalog is not an Operating Instructions Manual. This catalog will assist you in identifying the correct parts and accessories to connect to your Mindray anesthesia delivery system, bedside monitor or Central Station. For Operating Instructions, please refer to the Operating Instructions Manual. Warnings, Precautions and Notes can also be found in the Operating Instructions.
