SIMPLE AIR POLISHING

AIR N GO easy

DUAL FUNCTIONS

- "**SUPRA** function" for supragingival polishing: daily prophylactic polishing
- "**PERIO** function" for subgingival polishing: maintenance, periodontal and peri-implant treatments

This medical device combines simplicity with performance

A single handpiece to cover a range of care and treatment
AIR-N-GO® easy combines essential functions and reliability:
- Fast start-up: direct connection to the high speed handpiece connector
- Greater freedom of movement: 360° rotation, fast and accurate treatment of areas requiring care
- Easy cleaning of the handpiece: main parts can be dismantled

4 nozzles for treatment of periodontal disease

Depending on your clinical needs, choose:
- Sodium bicarbonate **"CLASSIC"** powders
- Calcium carbonate **"PEARL"** powder
- Glycine **"PERIO"** powder

PREVENT & FIGHT DISEASE

AIR-N-GO® nozzles provide continuous, accurate and controlled spray. These nozzles offer power and efficiency for the removal of supra and subgingival biofilm.

AIR-N-GO® SUPRA NOZZLE

(standard)

Clinical case Dr. P. ROUAS (France)

- Suitable for any supra-gingival prophylactic treatment in combination with **AIR-N-GO®** "**CLASSIC**" or "**PEARL**" powders
- Guarantees a fast, efficient procedure

AIR-N-GO® PERIO MAINTENANCE NOZZLE

(optional)

Clinical case Dr. C. LIM (U.K.)

- Reduced consumption of **AIR-N-GO®** "**PERIO**" fine powder particles supragingivally
- Treatment of mucositis and return to a healthy clinical situation
- Effective against the progression of periodontal disease

PERIO & IMPLANT MAINTENANCE

AIR-N-GO®
PERIO easy NOZZLE
(optional Perio easy kit)

Clinical case Dr. C. LIM (U.K.)

- Innovative design in a "shoehorn" shape providing easy sub-gingival insertion
- A real asset for non-surgical, sub-gingival treatment of teeth and implants
- 5 seconds per face is all that is needed

AIR-N-GO®
PERIO NOZZLE
(optional)

Clinical case Dr. A. PATEL (U.K.)

- Sub-gingival use for surgical and non-surgical treatments (tunnelling and open flaps)
- Powerful double lateral spray

CUSTOMIZED SOLUTIONS FOR YOUR CLINICAL NEEDS

AIR-N-GO® powders have been specially designed and studied to produce effective treatment that is gentle on all surfaces. All powders are compatible with the AIR-N-GO® easy, and no change of handpiece is required.

AIR-N-GO "CLASSIC" POWDERS

(Sodium bicarbonate)
(≈ 76µm average grain size)

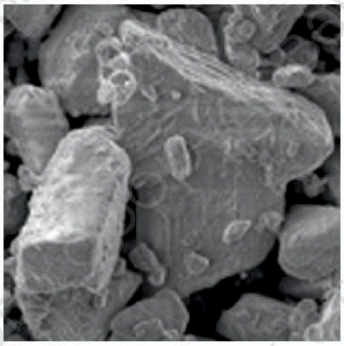

Complete range of active supragingival powders which meet any patients' preferences

- Cleaning giving instant results
- Remove stains and bacterial plaque, even in areas that are difficult to access such as pits and fissures
- Better patient comfort: gentle and efficient with limited bleeding during treatment

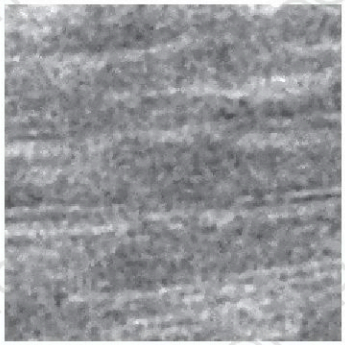

5 fresh flavors based on 100% natural aromas or essential oils: Neutral, Cola, Raspberry, Peppermint and Lemon

COMPETITOR

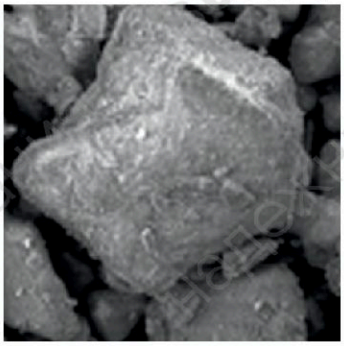

Stratified particles with aggressive geometry (x1000)

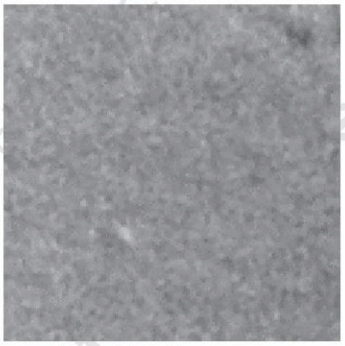

Treated enamel shows numerous scratches (x300)

air N GO

Particles with softened geometry (x1000)

Treated enamel: surface preserved without impacts or scratches (x300)

AIR N GO powder

AIR-N-GO "PEARL" POWDER

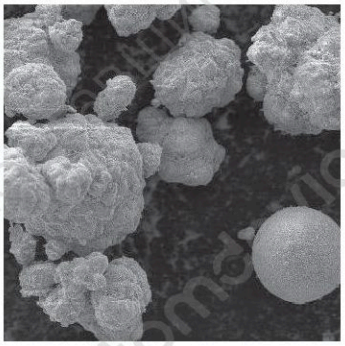

Natural calcium carbonate-based
(≈ 55µm average grain size)

Supragingival polishing powder for delicate tissue protection

- Reduction in pH acidity caused by tissue inflammation; return to clinically healthy buccal flora
- Restoration of the natural shine and pearliness of dental enamel
- Fast cleaning of difficult stains and composites

Even the most sensitive patients with advanced gingivitis will benefit from "PEARL" microspheres.

AIR-N-GO "PERIO" POWDER

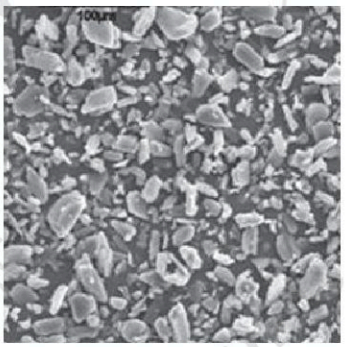

Natural glycine-based
(≈ 25µm average grain size)

- **Exclusive use for sub-gingival treatments** as a complement to the initial therapy
- Low abrasiveness preserving the treated surfaces (teeth and implants) and the most fragile anatomical areas
- Prevents the progression of subgingival biofilm

Multiple advantages with unique properties:

- Plaque removal: during periodontal maintenance on exposed root surfaces without sacrificing substance
- Reduction of the bacterial load in the periodontal pockets
