TOP QUALin
TOP SERVICE
TOP TECHNOLOGY

SOLID ENGINEERING STRENGTH
EXCELLENT PRODUCTION TECHNIQUE

## COMPANY PROFILE

Guilin Veirun Medical Technology Co., Ltd., a subsidiary of URIT Medical Electronic Group Co., Ltd., is mainly engaging in researching, developing, manufacturing and marketing of dental equipments. Rely on its strong technical and independent innovation capability, VRN has become a acknowledged leading brand of ultrasonic scaler. The ultrasonic scalers of the brand VRN, which have a exclusive core technology -- Intelligent Resonance, have had an extensive popularity among the dentists and patients with their unique characteristic "gentle vibration, comfortable scaling". Leading that trend of technology of ultrasonic scaler, VRN has taken the lead to launching the wireless control ultrasonic scaler recently. Guilin Veirun Medical Technology Co., Ltd. has a perfect quality management system. It has passed the audits of TÜV SÜD, which is the most authoritative in the field of medical equipment, and get the certificate of ISO 13485:2003/AC:2007 and CE 0123. The products of the brand VRN have been on sale throughout China and exported to over 50 countries and areas.

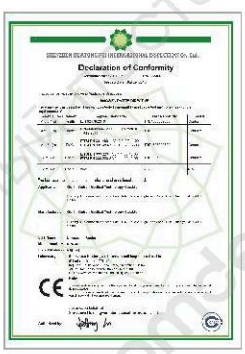

What the dentists wish to have is a more efficient scaler.
What the patients worry is the pain during the scaling.
What we are proud of is ...
With the same operating power, VRN ultrasonic scale brings you "gentler and no pain"!

NEW

# VRN-Q6 ULTRASONIC + AIR POLISHER

## ULTRASONIC PERIODONTAL THERAPY SYSTEM

700ml high capacity water bottle x 2 pcs, internal anti-corrosion liquid ways

New water regulating design, adjust the water at the handpiece.

New water regulating design, adjust the water at the handpiece.

3.5" color TFT LCD display

Waterproof IML touch operation panel.

Wireless foot control, exclusive patent.

https://stomdevice.ru - стоматологическое и зуботехническое оборудование с доставкой по России и СНГ

## Supragingival Air Polishing

Air polishing with sand blasting Effectively remove the dental plaque in Supragingival and subgingival with sand blasting which driven by high pressure air to prevent the oral disease.

1

## Subgingival Air Polishing

RESIDUAL POCKETS / DEEP TRANS MUCOSAL PORTION
Preserves integrity of cementum, dentin and implant surfaces during treatment.

2

## No pain Supra and Subgingival Scaling

NO-PAIN ultrasonic piezo treatment It combines scaling, periodontal and endodontic in one device. 5 stainless tips and 10 titanium alloy perio treatment tips attached, they can meet the most needs of supragingival and subgingival scaling operations.

3

## Implant Maintain

Dental implant maintaining
Sand blasting could remove the plague and stains on the implant without any harm to the material. Besides, 1 PEEK plastic special implant maintaining tip could offer the soft and high efficient operation.

VRN! Ultrasonic scaler

NEW

# VRN-A6L

NO PAIN ultrasonic periodontal treatments

## Ultrasonic scaler

1. Smart wireless foot control
2. frequency tracking, Automatically output matching vibration frequency.
3. Sine wave drive
   Avoiding stimulation caused by instantaneous current output, ensuring comfortable treatment.
4. More than 70 tips can be matched
   Endo & Scaling & Periodontal & Implant maintaining
5. Scaling forsupragingcal and subgingival
   With endo function and Implant maintenance togethe
6. Aviation aluminum alloy LED detachable handpiece,no cracking, no deformation and Durable

VRNIIIIII

Ultrasonic scaler

# VRN-A8

- LED Detachable Handpiece
- Auto Water Supply
- Wireless Control
- Scaling & Perio & Endo

Wireless Control

G1 G2 G4 P1 E1

- Input: AC100-240V, 47~63Hz
- Main unit input: DC30V, 1.5A
- Foot switch battery: 1.5Vx2
- Input power: 30-48VA
- Quality guarantee: host - 3 years, handpiece - 1 year
- Receiving sensitivity: -114Db
- Water pressure: 0.01 MPa~0.05MP
- Vibration frequency of the tip: 25-31 KHz
- Ultrasonic output power: 3W~20W
- Dimensions: 330mmx155mmx155mm
- Packing Size: 340x240x180mm
- Weight of main unit: 1.10kg
- Gross Weight: 3.50kg

## KO8AL

- LED Detachable Handpiece
- Scaling & Perio

- Input: Ac100~240V, 47~63Hz
- Main unit input: DC30V, 1.5A
- Input power: 30~48VA
- Quality guarantee: host - 3 years, handpiece - 1 year
- Water pressure: 0.01MPa~0.05MP
- Vibration frequency of the tip: 25~31KHz
- Ultrasonic output power: 3W~20W
- Dimensions: 80mmx170mmx170mm
- Packing Size: 275x230x140mm
- Weight of main unit: 0.65kg
- Gross Weight: 1.80kg

## K08DL

- LED Detachable Handpiece
- Scaling & Perio & Endo

- Input: AC100~240V, 47~63Hz
- Main unit input: DC30V, 1,5A
- Input power: 30-48VA
- Quality guarantee: host - 3 years, handpiece - 1 year
- Water pressure: 0.01 MPa~0.05MP
- Vibration frequency of the tip: 25~31KHz
- Ultrasonic output power: 3W~20W
- Dimensions: 80mmx170mmx170mm
- Packing Size: 275x230*140mm
- Weight of main unit: 0.65kg

LED Light Cure

# VAFU

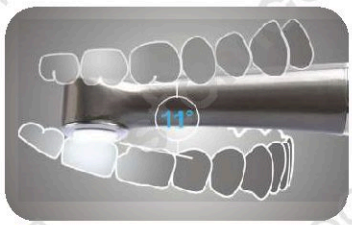

LED CURING LIGHT

50% Bigger lens, surface area 78mm²

1 second to cure

360?

The lens can be rotated as 360 degrees

Easy direct access to all areas of the mouth

Parallel light out put

Caries detecting function

50% bigger, surface area 78mm

Curing Spot Design

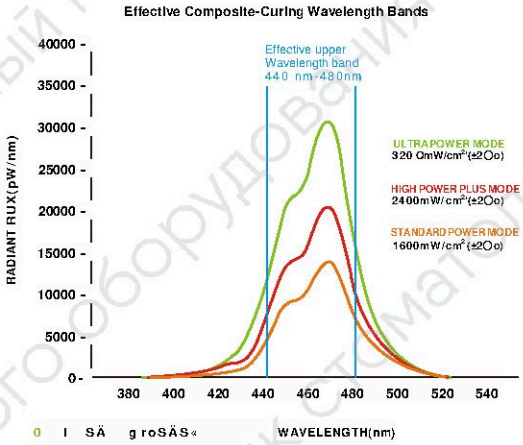

Unibody, design ware-resistance, anti-scratch

2200mA battery capacity

Wireless charging

Light meter

A lot of curing lights only have a single LED chip that operates on one wavelength.This can create hot and cold spots in the beam,which makes uniform curing nearly impossible.The original VAFU curing light was created to answer that problem.With four power LEDsthat delivers a uniform light over a broad spectrum,you know that you are getting a powerful,uniform cure that will last.The VAFU has that same uniform power you ecpect,plus a larger lens.

LED Light Cure

# 1800 W/cm High Intensity!
## Three Power Levels as option!

## ○ V200

- Input: Ac100~240V, 50~60Hz
- Light Intensity: 900~1650W/cm
- Device Type: cordless, exchangeable Li-ion battery
- Working Time: 3s, 5s, 10s, 15s, 20s, 25s, 30s, 35s, 40s
- Working Mode: full power, progressive, pulse
- Quality guarantee: 1 years

## ○ V300

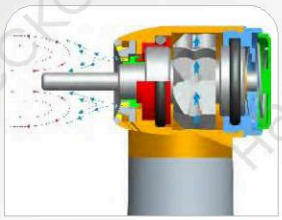

- Input: Ac100~240V, 50~60Hz
- Light Intensity: 900-1100W/cm
- Device Type: sealed type
- Working Time: 3s, 5s, 10s, 15s, 20s, 25s, 30s, 35s, 40s
- Working Mode: full power, progressive, pulse
- Quality guarantee: 1 years
