Piezo Scaler handpieces PB-3 and PB-5 L Q

First-class ultrasonic scalers

https://stomdevice.ru - стоматологическое и зуботехническое оборудование с доставкой по России и СНГ

Piezo Scaler
with first-class performance

The W&H ultrasonic scaler stands out for its fast removal of calculus and gentle, minimally invasive application. It offers optimal comfort and is flexible in its use thanks to the efficient W&H tip system. State-of-the-art piezo technology improves efficiency and tactile feedback in all clinical indications.

W&H tip system
The tip system, developed with end users, is perfectly matched to the requirements of the respective application areas and the individual treatment steps.

Maximum efficiency
High-performance and gentle at the same time for a minimally invasive application and painless treatment.

Easy to clean
Both Piezo Scaler handpieces can be easily dismantled for simple and improved cleaning and both are thermo washer disinfectable and sterilizable.

Handy and comfortable
The shape of the handpiece and its light weight ensure maximum comfort.

5x ring LED
Daylight-quality illumination of the treatment site thanks to 5 LEDs with the PB-3 LED handpiece.

Useful accessories
Change tips simply and safely with the tip changer and check them using the tip card.

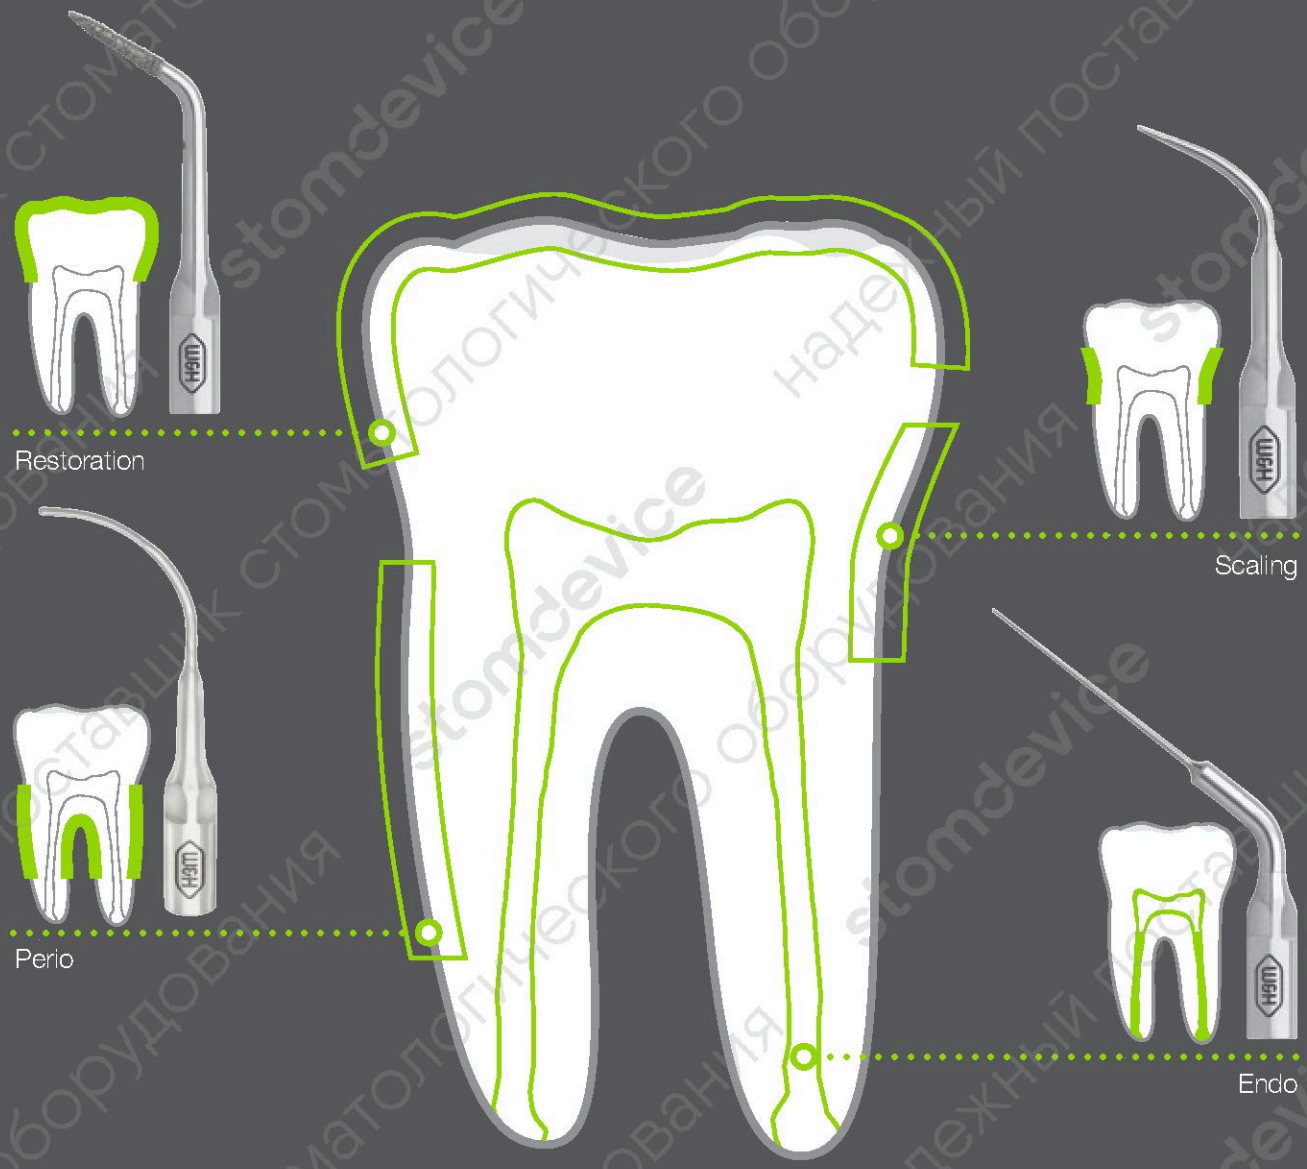

Treatment site always cooled
The integrated spray ensures constant and effective cooling of the treatment site.
